Professional Summary

Computer Science Engineering graduate with internship experience in Full Stack Python Development. Skilled in Python, Django, Flask, SQL, JavaScript, REST APIs, MySQL, backend development, object-oriented programming, data structures, algorithms, and software engineering principles. Passionate about developing scalable web applications and contributing as a Software Engineer, Python Developer, or Full Stack Developer.

Technical Skills

Programming Languages: Python, Java, JavaScript

Web Technologies: HTML, CSS, Bootstrap

Frameworks: Django, Flask

Databases: MySQL

Developer Tools: Git, GitHub, VS Code

Internship

Software Development Engineer Intern

Jan 2026 – May 2026

Tech Fortune Technologies, Bengaluru

- Developed and maintained full-stack web applications using Python, Django and Flask.
- Designed relational databases and optimized SQL queries for improved performance.
- Built REST APIs, authentication modules and CRUD functionalities.
- Collaborated using Git and GitHub for version control and team development.
- Debugged, tested and optimized applications to improve reliability and scalability.

Projects

Campus Placement Management System

Technologies: Flask, Python, SQLite, HTML, CSS, JavaScript

- Developed a secure placement portal with authentication and role-based access.
- Implemented CRUD operations and SQLite database integration.
- Designed responsive interfaces for students and administrators.

Apple Fruit Disease Detection

Technologies: Python, CNN, OpenCV

- Developed a CNN model for apple disease detection using image datasets.
- Performed image preprocessing, augmentation and model optimization.
- Improved prediction accuracy through evaluation and hyperparameter tuning.

Admission Management System

Technologies: HTML, CSS, JavaScript, SQL

- Developed admission management modules for student registration.
- Integrated SQL database for efficient storage and retrieval.
- Tested and debugged application modules to improve functionality.

Education

Bachelor of Engineering (Computer Science Engineering)

CGPA: 8.3/10

BLDEA's Dr. P. G. Halakatti College of Engineering and Technology, Vijayapura

2022 – 2026

Class XII (Science)

2020 – 2022

Shantiniketan PU College, Vijayapura

SSLC

2016 – 2020

Kamaladevi Patil School, Vijayapura

Certifications

- Full Stack Python Development Internship – Tech Fortune Technologies
- Introduction to Cloud Computing
- IEEE TechKnowLogist Quiz Competition
- Technical Poster Presentation
